

Nominate your church, civic organization, or business to “PASS THE BUCK FOR BREAST CANCER SURVIVORS”. Organize your event(s) where members commit to giving \$1.

#### Event Suggestions:

- ❖ During the Sunday Service, after the regular offertory period, ask congregants to donate \$1. Revivals to announce your event in advance on the website and social media to encourage people to attend your church.
- ❖ Members of your civic organization designate a day to reach out to as many friends as they can to donate \$1

Donations can be submitted through our Facebook link or directly at our website. Proceeds will be used to offset the expenses for the Annual Keeping the Faith Breast Cancer Survivors' Luncheon.

In exchange for organizing an event, Revivals agrees to offer its support to your health awareness efforts. A conference call or planning meeting will be held to obtain information about your needs and help brainstorm promotion ideas. In addition, your event information will be posted on all our website and social media sites.

Review the Sponsor Benefits section of the Luncheon page on our website to help you determine goals.

Thank you in advance for your support.

Sincerely in Your Service,

Elaine
